

Information on the 1st Educational Camp in Choreography 11th – 13th November 2011 in Lillestroem/Norway

From 11th to 13th November 2011 the UEG will organize the first “Educational Camp in Choreography” (ECC) in Lillestroem, near Oslo in Norway.

The Camp will provide knowledge and support for the National Federations in preparing, coaching, evaluating and selecting groups for “Gym for Life Challenge”, “EUROGYM”, “Golden Age Gym Festival” or other events.

Focus areas: Creative process, composition, evaluation, feedback and coaching.

Target Group

The ECC aims at two different levels of participants, one (level A) for the group leaders (coaches, trainers) who have a couple of years of experience in the focus area Choreography. Minimal age is 18 years. This level will focus on choreography, evaluation and feedback to performing groups.

The second level (level B) is for participants who have long experience in the field and / or are themselves instructors in that field and/ or the ones responsible for the area in their National Federation.

This level B) will deal with the same topics as level A, but will focus on discussion and exchange between participants. The contents for level B will allow the participants to give a basic course in their National Federation. Minimal age is 18 years.

Each National Federation has the opportunity to register two participants on each level. The National Federations are allowed to ask for more participants – if there will be enough places, the registration will be accepted.

The instructors

The Camp will have international lecturers and instructors from different countries with experience in instructing in their own National Federation. The entire course will be held in English.
